This incredible 2-day leadership experience is designed for coaches and their invited top athlete leaders. "Athlete-leaders" are to be defined by each individual coach, but as a guideline, coaches should invite captains, potential captains, and at least one potential FCA student-leader on their team. The goal of this camp is to strengthen your team in all 3Dimensions.

Camp Chaplain

NFL locker room, Steve's passion for success and change moves, motivates and empowers.

Steve's style is fresh and humorous as he tells about his stories in the NFL (Broncos) and his own personal experiences. He identifies with his audiences. He sees what they see; he feels what they feel; and he understands life's challenges.

Camp Clinician

Known as a fierce competitor, **Brian Holman** was a workhorse for the Mariners during the late 1980s and early 1990s. He was on his way to a very bright future when regrettably his playing career was cut short after an arm injury forced him to retire.

Prior to moving to Kansas City where he currently resides, Brian was the head varsity baseball coach at Andale High School from 2008-2010 where in 2008 he led his team to a second place finish in the Kansas 4-A High School State Baseball Tournament. Brian is now heavily involved in youth baseball in and around the Wichita and Kansas City areas where he conducts private and group pitching lessons and clinics for teams and individuals.

Brian is also a sought after motivational speaker and shares his inspirational messages with coaches, athletes, & business leaders across the United States and Canada.

"I had the greatest experience of my life and it changed me as a student, an athlete, a leader, and most of all a believer. I can't wait until next year!"
