## The Funeral Topics

Forecasting Your Legacy: A eulogy is a speech or a piece of writing that praises someone or something highly. Typically, eulogies are written for someone who has just died or recently retired. A eulogy is an opportunity to reflect upon a life lived and highlight the character/passions of the subject at hand. While answering the questions below, base your responses on the relationships you hope to have possessed and the cause(s) you ideally gave yourself to during your career.

If you could write 3 sentences that were to be read at your funeral, what would they be?

## 20/20 Foresight

**Defining Your Core Values:** We are all familiar with the famous adage "hindsight is 20/20." But does it have to be that way? Do we have to learn every lesson the hard way?

If we can look with 20/20 foresight towards a preferred vision of the future, we can seek to identify the core values that will help us navigate towards the end we are after. Identifying your personal core values is important because they are there to guide your choices and behaviors in everyday life. They act as guardrails to keep you on track and headed in the right direction.

Research indicates that if you truly want to impact behavior, no more than three or four core values should be emphasized. Look at the abbreviated list below and put a checkmark next to the core values that will best help you leave the legacy you desire.

## **Transformational Purpose Statement 1st Draft**

**Drafting Your Purpose:** Whether you are writing a first draft or refining a previously written statement, it is important to get your ideas out of your head and onto a piece of paper. As you complete this exercise, keep in mind the following suggestions that will help you write an effective transformational purpose statement.

- 1. Be Authentic: This is your personal statement. Don't write what you think you're supposed to say, rather write something that you will actually use as a filter for how you run your program.
- 2. Be Brief: Try to write a single sentence that contains 25 words or less
- 3. Be Deliberate: What relationships matter to you the most? What is the cause you are giving yourself to? Be intentional about using words that will remind you of these two important issues.
- 4. Be Structured: Think verb, target, outcome. The verb describes how you most successfully interact with people according to your gifting. The target is the set of relationships you hope to impact. The outcome is the transcendent cause you are after, and should incorporate your highest core values.

Sample Transformational Purpose Statement: "To inspire (verb) coaches and athletes (target) towards the pursuit of excellence in sports and in life while enjoying the journey (outcome which incorporates core values)."

Identifying Your Gifting: What verbs listed below best describe how you most successfully interact with people? Use these verbs to craft your "Transformational Purpose Statement."
